Problem Statement

Managing employees or students manually creates operational challenges:

- Difficulty tracking accurate attendance
- Proxy attendance and unreliable records
- Manual onboarding and release processes
- No centralized system for HR reports and monitoring
- Time-consuming letter generation and documentation
- Lack of performance and team tracking tools
- HR overhead for small and mid-sized organizations

Result:

- Inefficiency, errors, poor visibility, and increased administrative workload.

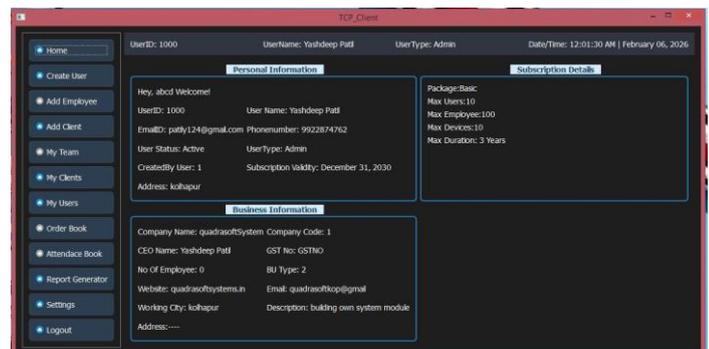

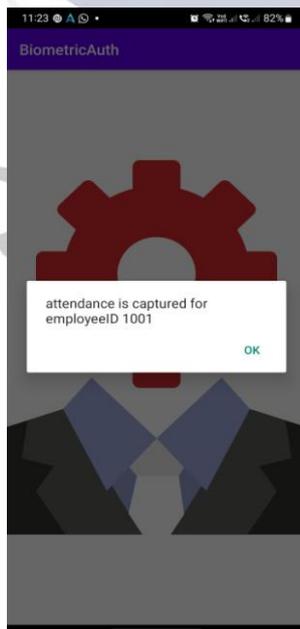

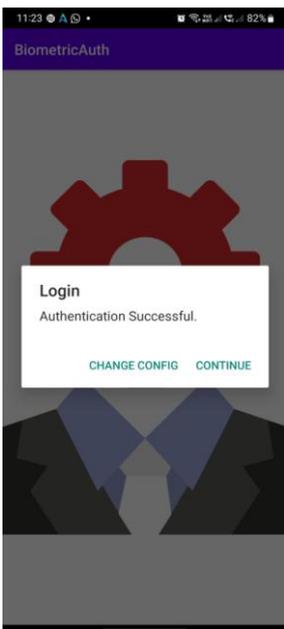

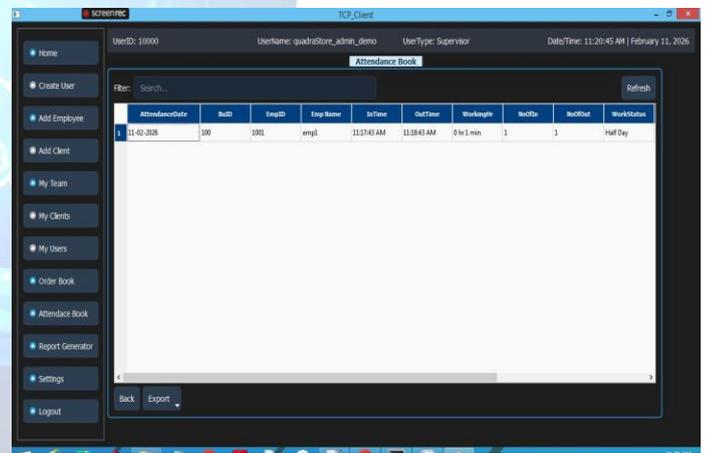

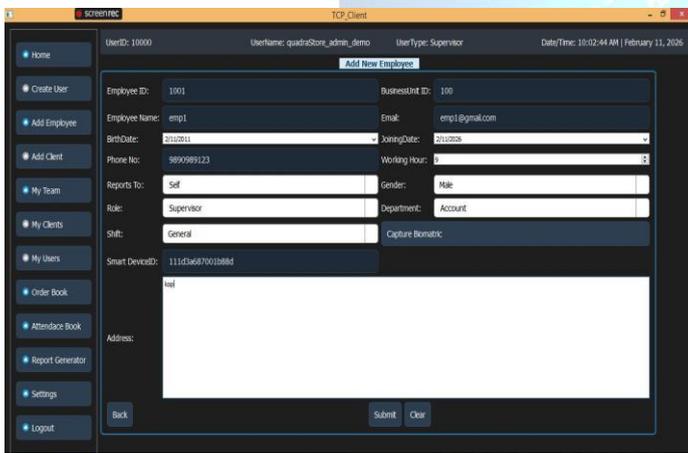

Solution

QuadraHRMS is an **end-to-end Human Resource & Institutional Management System**

It provides a centralized platform to manage:
